Training Calendar

Holistic Sustainability Solutions (HSS Consult) is a South Sudanese training and consulting firm that has formalized its legal registration in South Sudan by early, 2021 despite having started its practice and mission walk by 2017 in East Africa. In South Sudan, HSS Consult has taken time to understand the need and wants of South Sudan as an emerging business and programming space with specific focus on being among the key front runners that advocates for a ripe time is now for every programming and business in South Sudan to do so from a sustainable perspective and not emergence way whose time has just passed. It is on this basis that HSS consults presents itself as 'Your Future Ready Partner.'

UPSKILLING IS NEVER REQUIRED THAN NOW AND INTO FUTURE. JOIN THE JOURNEY
